

Name _____

These bees only fly past words with the **long e** sound.

Circle each word with the **long e** sound.

Draw a line to show the path from the bees to the tree.

Home Activity Your child identified words with long e sounds spelled ee as in *wheel*, ea as in *leaf*, e as in *we*, and y as in *baby*. Work with your child to make picture cards of long e words, including the long e words above. Have your child draw a picture on the front of each card and write the word for it on the back.
